LOW CARBON BUILDING INITIATIVE

2027 Membership application

Conditions & Benefits

Join the Low Carbon Building Initiative (LCBI) to become a driving player in decarbonizing European real estate. As a 2027 Sponsor, you will showcase your commitment to a decarbonized future while gaining European visibility across our platforms and at major industry events like SIBCA.
LCBI Membership connects you with a network of European experts, granting exclusive access to collaborative project groups, technical commissions, and recurrent networking opportunities through invites to a series of events (webinar, site visits, live events).

Partner with us to actively drive the low-carbon transition and improve your organization's expertise and authority in the sector.
